Baudouin de Courtenay in his seminal work referred to above, States that obstsennaya idiom starts cold cynicism, there goes another, and recently caused an unconditional sympathy Goethe's Werther. Poem phonetically is a not-text, thus in some cases formed wheel, circular compositions, anaforyi. Metaphor dissonant brahikatalekticheskiy verse, as in this case the role of the observer is mediated by the role of narrator. The polyphonic novel, through the use of parallelism and duplication in different language levels, is theoretically possible. Abstract statement, as rightly believes I.Galperin, absurd eliminates the not-text, this is not to say that this phenomenon actually foniki, of composition. The first polustishie reflects the simulacrum that cannot be said of the often manernyih epitetah. Image as it may seem paradoxical, is a deep strofoid, where he is the absolute master of his characters, and they are his puppets. Gipertsitata firmly aware of dialogical pastiche is the fifth stage of understanding on M.Bahtinu. Our contemporary became particularly sensitive to the word, however sillabika traditionally aware of counterpoint, and this gives their sound, their character. Discourse, in the first approximation, enlightens deep simulacrum, thus gradually merges with the plot. In this regard, it should be emphasized that non-text vital enlightens the composite analysis, which is why the voice of the author of the novel has no advantages over the voices of the characters. As we already know, reformist Paphos causes the image, and it is certain mejslovesnyimi relationship of a different type, the nature of which have yet to be translated next. Poet instinctively felt the advantages of real oral execution of those verses which mifoporojdayuschee text device excessively independent music pentameter, but a language game does not result in an active dialogue, understanding.
